

Community HUBS

Turtle
Island

- **The Turtle is considered to be the oldest, sacred symbol of the Anishinabe and Haudenosaunee people.**
- **Many Indigenous peoples refer to North America as Turtle Island.**

The Turtle Shell....

- **A mosaic of uniquely patterned squares much like the mosaic of communities in a HUB**
- **A calendar**
- **10 year CeH Initiative**

When Something New Comes Along....

- **Exercise caution**
- **Protect vulnerabilities**
- **Guard independence**

We Have to be Prepared to Stick Our Necks Out.....

Medicine of turtle....

- **Deliberate**
- **Thorough**
- **Moved forward with patient, steady flow**

Takes Us Time to Gain Footing....

Rock

Right Ourselves

Roll

Early HUB Meetings...

Putting Our Heads Together....

- **Collaborating**
- **Planning**
- **Communicating**

Communities Climb Aboard the HUB.....

Take tentative steps together....

- **Share information and resources**
- **Pursue common and independent initiatives**
- **Take turns leading**

Participants Have Different Perspectives....

- **Independent**
- **Interdependent**
- **Collective decision-making**
