

First Nations Health Council Resolution 2011-01 Workplan Presentation September 2011

Gathering Wisdom IV: Resolution

- First Nations leadership came together and provided unprecedented support to a resolution that gave direction to the FNHC to achieve a number of things:
 - Formalize the new health governance structure
 - Transfer Health Canada – FNIH to a new First Nations Health Authority
 - Align to **seven directives**
 - Report back on the progress at GW V in May 2012

Consensus: 7 Directives

Directive #1:
*Community-
Driven,
Nation-Based*

Directive #2:
*Increase First
Nations
Decision-
Making and
Control*

Directive #3:
*Improve
Services*

Directive #4:
*Foster
Meaningful
Collaboration
and
Partnership*

Consensus: 7 Directives

Directive #5:
*Develop
Human and
Economic
Capacity*

Directive #6:
*Be Without
Prejudice to
First Nations
Interests*

Directive #7:
*Function at
a High
Operational
Standard*

Consensus: Role of the First Nations Health Council

- FNHC to continue as political advocacy body regionally-driven and appointed by First Nations
- Mandate:
 - Political leadership for implementation of the Health Plans
 - Support First Nations achieve health priorities / objectives
 - Health Advocacy and Relationships
 - Politically oversee transition of FNIH to a new FNHA
 - Communication, transparency, cost-effectiveness, accountability to First Nations

Consensus: Role of the First Nations Health Directors Association

- The FNHDA is composed of health directors and managers working in First Nations communities and:
 - supports education, knowledge transfer, professional development and best practices for health directors; and,
 - acts as a technical advisory body to the FNHC and the FNHA on research, policy, program planning and design, and the implementation of the Health Plans.
- The FNHDA must have a robust communications strategy implemented through and enabled by the community engagement hubs and the Regional Tables.
- The FNHDA must be constituted with good governance, accountability, transparency and defined operating standards.

Consensus: Role of Regional Tables

Regional Caucuses have been developed in each Health Region. Caucuses will establish Regional Tables to support the following outcomes:

- Engage with First Nations
- Develop and implement agreements and arrangements between Regional Tables and Regional Health Authorities
- Develop regional perspectives and approaches on health and wellness
- Effective, efficient and sustainable engagement and operations

Consensus: First Nations Health Authority

PRIORITIES

Engagement with First Nations

Effective delivery of services including address service gaps and innovation

Improve NIHB program

Implement First Nations values

Health literacy and self-care

Health partnership with Province including shared service opportunities

Capital, infrastructure, equipment

Health human resource development

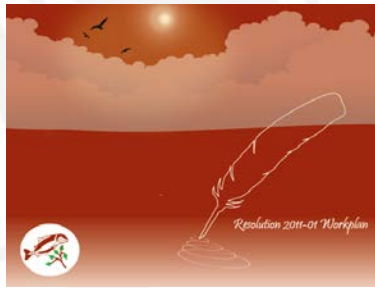

Cultural competency training

First Nations Deputy PHO

Constituted with good governance, accountability, transparency and defined operating standards and governed by a Board of Directors with experience in First Nations health programs and services and successfully running a large operation.
